

PATHFINDER®

PATENT PENDING SYNCHRONIZATION OF VOICE MESSAGES WITH PATHFINDER® AND ON-SCENE MODULE

Federal Signal's Pathfinder® works in conjunction with the On-Scene Sync Module providing the capability to synchronize warning lights and voice messages in order to unify the visual and audible warning of a multi-vehicle response.

Unify Audible Warning

- Select from over 40+ standard voice messages that include traffic, curfew, crowd control, K9, and weather alert related voice messages.
- Standard messages are available in English, Spanish, and French Canadian. To listen to all standard voice messages, click [here](#).
- Custom voice messages are also available to order.

HOW TO ORDER

Step 1: Order Pathfinder siren model.

Step 2: Order PFSYNC-1 On-Scene Sync module.

Step 3: If desired, contact your FS sales representative for assistance with ordering custom voice messages.
