

# SELECT LEGEND® AND LEGEND LPX LIGHT BARS TO BE DISCONTINUED

REPLACEMENT MODEL: ALLEGIANT®

As part of our continuous efforts to streamline our product offerings, Federal Signal is discontinuing the 12-inch, 24-inch, and 70-inch lengths of Legend® and Legend® LPX Discrete models. Our 21-inch and 70-inch Allegiant® light bars are great replacements for the discontinued Legend models.

## RECOMMENDED REPLACEMENT

### Allegiant

The Allegiant light bar features many of the same features as the Legend and more!

- Low-profile, dual-color linear LED light bar
- Available in 21-inch, 45-inch, 53-inch, 61-inch, 70-inch, and 80-inch models
- Discrete and Serial
- Bed light option directional warning
- Built-in SignalMaster™ directional warning
- 28 flash patterns
- Low-power mode
- SAE Class 1 and CCR Title 13
- Five-year warranty

## FS TECHNOLOGIES

## TIMING

Configured and stock models of the 70-inch discontinued models are discontinued immediately. Configured and stock models of the 12-inch and 24-inch models will be available through November 30, 2022, or while supplies last
