

MICROPULSE® ULTRA 6

NEW ADHESIVE MOUNT KIT AVAILABLE FOR MICROPULSE® ULTRA 6 SERIES

Shown with the MPS6U light head (sold separately)

The new adhesive mount kit allowing interior window mounting for the MicroPulse® Ultra 6 Series is now available to order. The new adhesive mount kit allows the MicroPulse Ultra 6 to be mounted to interior windows. The light head is adjustable vertically by +/- 10 degrees inside the bezel assembly, allowing an angled setting for a number of placement options. The kit also includes 90°, 67°, 46°, and 30° shrouds, enabling a variety of mounting locations.
