

LEGEND® LPX DISCRETE

CONFIGURED LEGEND LPX DISCRETE LIGHT BAR MODELS TO BE DISCONTINUED

As part of our continuous efforts to streamline our product offerings, Federal Signal is discontinuing 45-inch, 53-inch, and 61-inch custom-configured Legend® LPX Discrete light bars. Legend LPX Discrete stock bars will still be available for a limited time.

The Allegiant® Discrete light bar is the recommended replacement. Choose from popular catalog configurations or visit our [online configurator](#) to build a custom Allegiant light bar.

RECOMMENDED REPLACEMENT

Allegiant® Discrete Light Bar

The Allegiant Discrete light bar has many of the same features as the Legend® LPX Discrete and more:

- Low-profile, linear light bar
- Available in 45", 53", 61", 70", 80", and 94" lengths
- Amber, Blue, Green, Red, and White
- Single- and dual-color capability
- Front flood, rear flood, takedowns, alley lights, work lights, S/T/T (except 45"), and bed light (except 45") are available
- Low-power mode
- [28] flash patterns; independently controlled front and rear flash patterns
- 12 or 24 Vdc
- Easy service while installed on the roof top
- Five-year warranty

FS TECHNOLOGIES

TIMING

Configured Legend® LPX Discrete light bar orders will be accepted through November 30, 2024, for shipment by December 31, 2024.
