Federal Signal introduces the Latitude™ Series warning light. The Latitude is built with Federal Signal's Solaris LED reflector design for superior light intensity. The Latitude is available in four-, six-, and eight-head models and includes 10 eye-catching warning patterns.

A selection of internal and external mounting brackets makes Latitude ideal for many applications including municipal, utility, construction, public safety and tow and recovery.

Features

- Solaris® LED reflectors for the highest optical efficiency
- ROC (Reliable Onboard Circuitry™) reduces potential failure points found in a typical lighting system
- Available in 4-head, 6-head or 8-head models
- Three LEDs per position
- Both interior and exterior mounting brackets are available
- Innovative co-extrusion, polycarbonate housing provides moisture resistance
- Each model includes 10 flash patterns plus 1 test pattern
- Amber Latitude models with directional warning functions will be available in the **Third Quarter, 2013**
- Five-year Warranty
