Additional Steady Burn models are available for use with Pathfinder® Sirens

Popular MicroPulse®, 416900 Corner LEDs, and 416300 Series lights are now available as Steady Burn models for use with the Pathfinder Siren. The combination of Steady Burn models and the Pathfinder Siren allow the Pathfinder to control lights around the vehicle by utilizing flash patterns in the siren, syncing/alternating light heads, and dimming light heads.

FEATURES

- Intended to be flashed with the Pathfinder siren or other external flasher
- Dimming capability
- Sync/alternate with other Steady Burn models
- No built-in flash patterns, utilizes the flash patterns of the Pathfinder siren (sold separately)
- 3-year warranty
