Changes to Federal Signal's Stock Program

Due to exciting changes coming to our product lines, Federal Signal is discontinuing its police light bar stock program on December 31, 2020. On this date, the following Valor®, Integrity®, Allegiant®, CN SignalMaster™, and SpectraLux® ILS low-profile models will no longer be available to order from stock.

In early 2021, we will be announcing a new stock program featuring new models of these product lines. Stay tuned for more information.
