

REAR WINDOW SPECTRALUX® ILS

REAR WINDOW SPECTRALUX ILS IS NOW AVAILABLE FOR THE FORD® F-150® 2015+

The SpectraLux® ILS Low-Profile Center Focused Rear Window ILS is now available for the Ford® F-150® 2015+. The rear window model features a low-profile design and vehicle-specific shrouds, allowing for a tight fit to the upper rear window of the vehicle.

FEATURES

- Eight-head, low-profile design
- Suitable for internal mounting
- SpectraLux multi-color capability provides “Amber override” for directional lighting
- Solaris® LED reflector technology for better optical efficiency and superior off-axis warning
- FSJoin™ enables the synchronization and programming of light bars and exterior/interior lights that works in conjunction with the Pathfinder® Siren
- Models available with FS Convergence Network for “plug-n-play” installation and programming
- Discrete wired option for use with traditionally wired applications
- LEDs available in combinations of Amber, Blue, Green, Red, or White
- Serial-controlled models feature FSJoin
