

# XSTREAM® STEADY BURN MODELS

NOW AVAILABLE FOR USE WITH PATHFINDER® SIRENS

XStream® models are now available as steady burn models for use with the Pathfinder® Siren. In combination with the XStream Steady Burn models, the Pathfinder can control the warning lights by utilizing flash patterns programmed into the siren, syncing/alternating the light heads, and dimming the light heads.

## FEATURES

- Steady burn models to be used with Pathfinder internal flasher or other external flashers
- FSJoin™ enables the synchronization and programming of light bars and exterior/interior lights that works in conjunction with the Pathfinder Siren
- Steady burn models can operate as a single-, dual-, or tri-color light head
- Steady burn models available in single- or dual-head models
- Five-year warranty
