# New Release of Commander® 3" Flashing and Compartment Lights

Federal Signal announces the release of the new Commander 3" Flashing and Compartment Lights. With its low-profile design and surface mount, the COM3 allows for versatile mounting options. The COM3 lights include flashing light models and compartment light models with an optional rubber grommet or chrome flange (both sold separately). Flashing models are available in Amber, Blue, and Red with clear or colored lens. Compartment lights are available in Red, White, Blue/White, and Red/White, two-color models allow for separate control of colors. Compartment light models are available with clear and colored lenses.

**NEW PRODUCT**

## F E A T U R E S

- Standard 3" round surface mount flashing and compartment lights with an aluminum base

- Flashing models available in Amber, Blue, and Red. Available with clear and colored lenses. All flashing models include 1 flash pattern

- Compartment lights available in Red, White, Blue/White, and Red/White, two-color models allow for separate control of colors. Available with clear and colored lenses

- Low-profile design allows for versatile mounting options

- Red LED compartment lights are ideal for improved nighttime vision in compartments

- Surface mount alleviates the need to do body cut-outs on the vehicle

- All models include bolt or adhesive mount for added flexibility in mounting

- Chrome flange and rubber grommet available

- All models meet SAE J845 and J595, Class 2

- Five-year warranty
