

Introducing the Federal Signal Pro LED Beacon

The Pro LED Beacon is a superior warning solution designed to fit a variety of applications including work trucks and fire apparatuses. Featuring the Federal Signal FSLink™ syncing technology, the Pro LED beacon provides an effective warning signal and syncing capability for a unified look. The Pro LED Beacon comes equipped with (25) selectable flash patterns and is available in single- and dual-color versions in Amber, Blue, Green, Red and White. Additionally, the Pro LED Beacon has built-in low power functionality and models available with auto-dimming.
